TAP INTO BCIT TALENT

Partnering with us is a direct line to BCIT's top emerging talent. Gain early recruitment access, co-branded marketing visibility, and B2B networking opportunities with a nationwide network of business leaders and student innovators.

OUR WHY

BCIT defines sustainability as “enabling people to lead socially just lives within ecological limits.” At Enactus BCIT, we take that philosophy out of the classroom. Through projects like Lumóra and EcoMeter, our students are actively building the businesses that make this definition a reality.
